

underpayments or under-declarations, provided that they are within the time period and scope of the audit as established by CBP and as described in paragraph (d)(4) of this section.

(6) *Limitations.* Offsetting will not be allowed with respect to specific overpayments or over-declarations made for the purpose of violating any provision of law, including laws other than customs laws. Offsetting will not be allowed with respect to overpayments or over-declarations resulting from a failure to timely claim or establish a duty allowance or preference. Offsetting will be disallowed entirely where CBP determines that any underpayments or under-declarations identified for offsetting purposes were made knowingly and intentionally.

(7) *Audit report.* Where overpayments or over-declarations have been identified in accordance with paragraph (d)(1) of this section, the audit report will state whether they have been made within the time period and scope of the audit.

(8) *Disallowance determinations referred to Fines, Penalties, and Forfeitures office.* Any determination that offsets will be disallowed where overpayments/over-declarations were made for the purpose of violating any law, or where underpayments or under-declarations were made knowingly and intentionally, will be made by the appropriate Fines, Penalties, and Forfeitures (FP&F) office to which the issue was referred. CBP will notify the audited person of a determination whether to allow offsetting in whole or in part. The FP&F office will issue a notice of penalty under 19 U.S.C. 1592(b) and/or notice of liability for lost duties, taxes, and fees under 19 U.S.C. 1592(d) where it determines that such action is warranted. If the FP&F office issues a notice of penalty, the audited person may file a petition under 19 U.S.C. 1592(b)(2), 19 U.S.C. 1618, and 19 CFR part 171 to challenge the action.

(9) *Refunds limited.* An overpayment of duties and fees will only be credited toward a refund if the circumstances of the overpayment meet the requirements of 19 U.S.C. 1520 or the requirements of 19 U.S.C. 1514(a) pertaining to clerical error, mistake of fact, or other

inadvertence in any entry, liquidation, or reliquidation.

(e) *Sampling not evidence of reasonable care.* The fact that entries were previously within the time period and scope of an audit conducted by CBP in which sampling was employed, in any circumstances described in this section, is not evidence of reasonable care by a violator in any subsequent action involving such entries.

(f) *Exception to procedures.* The provisions of paragraph (a) of this section may not apply when a private party submits a prior disclosure under paragraph (d)(3) of this section. Paragraphs (a)(5), (a)(6), (b), (d)(8), and (d)(9) of this section do not apply once CBP and/or ICE commences an investigation with respect to the issue(s) involved.

#### § 163.12 Recordkeeping Compliance Program.

(a) *General.* The Recordkeeping Compliance Program is a voluntary Customs program under which certified recordkeepers may be eligible for alternatives to penalties (see paragraph (d) of this section) that might be assessed under § 163.6 for failure to produce a demanded entry record. However, even where a certified recordkeeper is eligible for an alternative to a penalty, participation in the Recordkeeping Compliance Program has no limiting effect on the authority of Customs to use a summons, court order or other legal process to compel the production of records by that certified recordkeeper.

(b) *Certification procedures—(1) Who may apply.* Any person described in § 163.2(a) who is required to maintain and produce entry records under this part may apply to participate in the Recordkeeping Compliance Program.

(2) *Where to apply.* An application for certification to participate in the Recordkeeping Compliance Program shall be submitted to the Regulatory Audit, U.S. Customs and Border Protection, 2001 Cross Beam Dr., Charlotte, North Carolina 28217. The application shall be submitted in accordance with the guidelines contained in the Customs Recordkeeping Compliance Handbook which may be obtained by downloading it from the Customs Electronic Bulletin Board (703–921–6155) or by writing

to the Recordkeeping Compliance Program, Executive Director, Regulatory Audit, Office of International Trade, U.S. Customs and Border Protection, 1300 Pennsylvania Ave., NW., Washington, DC 20229.

(3) *Certification requirements.* A recordkeeper may be certified as a participant in the Recordkeeping Compliance Program after meeting the general recordkeeping requirements established under this section or after negotiating an alternative program suited to the needs of the recordkeeper and Customs. To be certified, a recordkeeper must be in compliance with Customs laws and regulations. Customs will take into account the size and nature of the importing business and the volume of imports and Customs workload constraints prior to granting certification. In order to be certified, a recordkeeper must meet the applicable requirements set forth in the Customs Recordkeeping Compliance Handbook and must be able to demonstrate that it:

(i) Understands the legal requirements for recordkeeping, including the nature of the records required to be maintained and produced and the time periods relating thereto;

(ii) Has in place procedures to explain the recordkeeping requirements to those employees who are involved in the preparation, maintenance and production of required records;

(iii) Has in place procedures regarding the preparation and maintenance of required records, and the production of such records to Customs;

(iv) Has designated a dependable individual or individuals to be responsible for recordkeeping compliance under the program and whose duties include maintaining familiarity with the recordkeeping requirements of Customs;

(v) Has a record maintenance procedure acceptable to Customs for original records or has an alternative records maintenance procedure adopted in accordance with §163.5(b); and

(vi) Has procedures for notifying Customs of any occurrence of a variance from, or violation of, the requirements of the Recordkeeping Compliance Program or negotiated alternative program, as well as procedures for taking corrective action when notified by Customs of violations or problems regard-

ing such program. For purposes of this paragraph, the term “variance” means a deviation from the Recordkeeping Compliance Program that does not involve a failure to maintain or produce records or a failure to meet the requirements set forth in this section. For purposes of this paragraph, the term “violation” means a deviation from the Recordkeeping Compliance Program that involves a failure to maintain or produce records or a failure to meet the requirements set forth in this section.

(c) *Application review and approval and certification process*—(1) *Review of applications.* The Charlotte regulatory audit field office will process the application and will coordinate and consult, as may be necessary, with the appropriate CBP Headquarters and field officials. The Charlotte regulatory audit field office will review and verify the information contained in the application and may initiate an on-site verification prior to approval and certification. If an on-site visit is warranted, the Charlotte regulatory audit field office shall inform the applicant. If additional information is necessary to process the application, the applicant shall be notified. CBP requests for information not submitted with the application or for additional explanation of details will cause a delay in the application approval and certification of applicants and may result in the suspension of the application approval and certification process until the requested information is received by CBP.

(2) *Approval and certification.* If, upon review, Customs determines that the application should be approved and that certification should be granted, the Director of the Miami regulatory audit field office shall issue the certification with all the applicable conditions stated therein.

(d) *Alternatives to penalties*—(1) *General.* If a certified participant in the Recordkeeping Compliance Program does not produce a demanded entry record for a specific release or provide the information contained in the demanded entry record by acceptable alternate means, Customs shall, in lieu of a monetary penalty provided for in

§ 163.6(b), issue a written notice of violation to the person as described in paragraph (d)(2) of this section, provided that the certified participant is generally in compliance with the procedures and requirements of the program and provided that the violation was not a willful violation and was not a repeat violation. A willful failure to produce demanded entry records or repeated failures to produce demanded entry records may result in the issuance of penalties under § 163.6(b) and removal of certification under the program (see § 163.13) until corrective action satisfactory to Customs is taken.

(2) *Contents of notice.* A notice of violation issued to a participant in the Recordkeeping Compliance Program for failure to produce a demanded entry record or information contained therein shall:

- (i) State that the recordkeeper has violated the recordkeeping requirements;
- (ii) Identify the record or information which was demanded and not produced;
- (iii) Warn the recordkeeper that future failures to produce demanded entry records or information contained therein may result in the imposition of monetary penalties and could result in the removal of the recordkeeper from the Recordkeeping Compliance Program.

(3) *Response to notice.* Within a reasonable time after receiving written notice under paragraph (d)(1) of this section, the recordkeeper shall notify Customs of the steps it has taken to prevent a recurrence of the violation.

**§ 163.13 Denial and removal of program certification; appeal procedures.**

- (1) Denial of certification for program participation in accordance with paragraph (b) of this section; and
- (2) Removal of certification for program participation in accordance with paragraph (c) of this section.

(b) *Denial of certification for program participation—(1) Grounds for denial.* Customs may deny an application for certification for participation in the Recordkeeping Compliance Program for any of the following reasons:

- (i) The applicant fails to meet the requirements set forth in § 163.12(b)(3);
- (ii) A circumstance involving the applicant arises that would justify initiation of a certification removal action under paragraph (c) of this section; or
- (iii) In the judgment of Customs, the applicant appears not to be in compliance with Customs laws and regulations.

(2) *Denial procedure.* If the Director of the Miami regulatory audit field office determines that an application submitted under § 163.12 should not be approved and that certification for participation in the Recordkeeping Compliance Program should not be granted, the Director shall issue a written notice of denial to the applicant. The notice of denial shall set forth the reasons for the denial and shall advise the applicant of its right to file an appeal of the denial in accordance with paragraph (d) of this section.

- (ii) The program participant no longer has a valid bond;
- (iii) The program participant fails on a recurring basis to provide entry records when demanded by Customs;
- (iv) The program participant willfully refuses to produce a demanded or requested record;
- (v) The program participant is no longer in compliance with the Customs laws and regulations, including the requirements set forth in § 163.12(b)(3); or
- (vi) The program participant is convicted of any felony or has committed acts which would constitute a misdemeanor or felony involving theft, smuggling, or any theft-connected crime.
